

**REMARKS:**

Claims 1-39 are currently pending in the application. Claims 1-39 have been allowed.

This Amendment under 37 C.F.R. § 1.312 is submitted in response to a Notice of Allowance and Examiner's Amendment dated 15 August 2006. The Examiner's Amendment provided for the following:

As per claim 1, line 3 "a" before product has been changed to - - one or more - -

As per claim 5, line 5, "the updated" has been changed to - - updating - -

As per claim 17, line 7, "a" has been changed to - - the - -

In addition, the Examiner's Amendment further provided amendments to independent Claims 19 and 28. In particular, the Examiner's Amendment to independent Claims 19 and 28 replaced the preamble with "A system comprising:". However, the Examiner's Amendment dated 15 August 2006 did not amend the preamble of dependent Claims 20-27, 29-37, and 39.

The undersigned, Steven J. Laureanti, telephoned Examiner Frantzy Poinvil on 23 October 2006 to conduct a telephone interview on the subject application and in particular, to discuss the Examiner's Amendment. During the telephone interview on 23 October 2006, the undersigned, Mr. Laureanti, requested clarification as to the status of the claims in the subject application. The undersigned, Mr. Laureanti pointed out that the Examiner's amendment did not provide the current status of all of Applicant's claims.

In response the Examiner asserted that the Examiner's Amendment dated 15 August 2006 applied to the claims as they appeared in the Appeal Brief mailed 4 January 2005. In addition, the Examiner agreed that since the preamble of independent Claims 19 and 28 had been amended in the Examiner's Amendment, the preamble in dependent Claims 20-27, 29-37, and 39 also required amendment. The Examiner recommended that

the Applicant submit an Amendment under 37 C.F.R. § 1.312 providing such amendment to dependent Claims 20-27, 29-37, and 39.

The Applicant respectfully submits that this Amendment under 37 C.F.R. § 1.312 contains the amendments to dependent Claims 20-27, 29-37, and 39. The Applicant further respectfully submits that the status of the claims in this Amendment includes the Examiner's Amendment dated 15 August 2006. Therefore, the Applicant respectfully requests the Examiner to enter this amendment, prior to issuing the subject application. No new matter has been added.

The Examiner may call the undersigned, Steven J. Laureanti, at (817) 447-9955 if there are any questions regarding the Amendments to the claims or if the Examiner believes that it would be easier to discuss the Amendment under 37 C.F.R. § 1.312, over the telephone.
